

Terrassa, 1 February 2017

Dear students of the Master's degree in Management Engineering,

The purpose of this email is to inform the students who are enrolled in the Master's degree in Management Engineering course in English, that ESEIAAT will offer a series of tutorial teaching from now till February 2018.

In February 2017 we offer (for the last time) tutorial teaching for the following subjects:

M2B Second semester, February 2017	
Core courses	
220664	Business Management
220665	Supply Chain Management
220666	Technical Entrepreneurship
220667	Information Systems
220668	Master Thesis*
Elective courses	

* Master Thesis: only for students that are finishing their master programme this semester

In September 2017 we offer (for the last time) tutorial teaching for the following subjects:

M2A First Semester, September 2017	
Core courses	
220658	Management Accounting
220659	Project Management
220660	Operations Management
220661	Environmental and Energy Policy
220662	Tools for Decision Analysis
220668	Master Thesis
Elective courses	

In case students don't pass their last exams by those dates they will have two options:

- Enrol only for examination
- Enrol in the Master's degree in Management Engineering course in Spanish. In this case, students can attend up to 25% of subjects lectured in Spanish and still get the degree in Master's degree in Management Engineering in English.
